AROUND THE CIRCLE

Hearts and Art!

Dear Children's Circle Families,

I hope that you all enjoyed your Parent -Teacher Conferences and the snow! What a way to start the month.

This is a month when we all think of love. At The Children's Circle we celebrate by showing our children how to love one another and how to love our neighbors. Those are our Faith Themes for this month.

One way that we teach children about God's commandment to, "Love your neighbor as yourself," is by bringing a food offering to chapel. This month's offering is oatmeal, but any non-perishable food item is welcomed. One of the four year old classes will deliver our offering to Loaves and Fishes food pantry later this month.

Our transitional kindergarten class has lovingly made beds for our guests from Room in the Inn.

We are also making valentine cards for our Haitian neighbors in Charlotte and collecting money for the church's mission in Bayonnais. Remember that you will have an opportunity to donate to our Bayonnais neighbors at ART NIGHT!

You have shown your love for our neighbors at Sedgefield Elementary School by donating books to the book drive. Some of our parents have sorted those books and will deliver them soon.

Many of you have been hard at work preparing for our Annual Carnival (April 17). This is truly an act of love for our preschool. It is also another way to give to our neighbors. A portion of our proceeds will be used to benefit Freedom School this year.

John Lennon once wrote, "All you need is love"well if that is true, we are in great shape. Happy Valentine's Day. - may it be full of love and loved ones.

Take care,
Susan Q. Wade, Director
