

BLESSINGS!

Dear Children's Circle Families,

It seems as though each month at The Children's Circle is busier than the last. October was full of fun with a visit from the Fire Truck, a trip for 4s to the Fire Station and lots of pumpkins!

November looks even better! This is a month that we usually stop to think about how thankful we are for our many blessings. "We give thanks" is our faith theme and we will all be talking about what it means to be thankful.

As we

I am thankful for our wonderful teachers, who work every day to help each child reach his full potential. I am thankful for our supportive CC families who work as partners with us to make our school the very best. I am thankful for the CC board members who give us guidance and support. I am thankful for our church staff who lead our chapel services and support our ministry. I am especially thankful for the beautiful children who we serve each day.

Blessings to you all. I hope that you have a wonderful Thanksgiving!

Take care,
Susan Q. Wade, Director
