

Happy Fall!

Dear Children's Circle Families,

The school year is no longer "new." The children and teachers have adjusted to their daily routines. Carpool is "old hat" now. They can find their classrooms all by themselves!! Your children are amazing!

We are so glad that Parent Fellowship Night is finally here!! It is on Tuesday, Oct. 6 at 7:00p.m. I encourage each of you to attend. It's a great opportunity for parents to come and see what the children have been doing at school. You will have a better understanding of what happens here on a typical day. So, get a sitter and come to our first parent event. Your teachers are looking forward to this time to share information with you.

We have started our Chapel worship services with the threes, fours and fives. We celebrated the fact that "God Made Me" last month. This month our faith theme is "God Made the World." We are so fortunate to have Allyson Ware, our music teacher, and Marcia Newlin, our pianist there to enrich our worship. Many thanks to you all for sending in offerings for *Loaves and Fishes*. Our offering item this month is Animal Crackers.

Our special area classes begin this month. The twos will enjoy Music and Stretch and Grow. In addition to those classes, the threes will also have Literacy and Creative Movement. The fours and fives will visit our new Art Lab, too. The twos will begin Literacy after Christmas.

Our big news this week is that our new climbing wall is up in the gym!! In the weeks to come the older children will be learning how to be safe climbers. I think it will be loads of fun!

Take Care, Susan Q. Wade, Director
